All Over You

Words and Music by

C **F** **G**
Good times will stay inside though the love was bad
C **F** **G** **C**
I can not chase away good times that were had by you and me
A7 **Dm** **G** **C**
We were seen climbing mountains, we were seen dancing in fountains
G **C**
The memory's all too clear, and

Am **F**
Chorus: I, I'm all over you and you over me
G
Don't give me a call, don't write me, 'cause
Am **F**
I'll be all over you and you over me
G
That's not a good place for us to be

C **F** **G**
I'm too damned old to turn and tuck my head away
C **F** **G** **C**
Much too much sense has come to reach back all the way to yesterday
A7 **Dm** **G** **C**
We were seen crossing oceans, we were in constant motion
G **C**
The memory's all too clear, but

(Chorus)

C **A7** **Dm** **G** **C**
You and me, we were seen bravely flying, even with a chance of dying
G **C**
The memory's all too clear, and

(Chorus 2x)
