

Human Inside

Words and Music by
imposter X

Em7 **A7**
 And though I see the road you took
C#m **D** **C#m** **D** **C#m** **D** **C#m** **D**
 Freedom of choice? Victim of chance? Tears on your collar, tears in your pants
Em7 **A** **Em7** **A** **Em7** **A** **G** **A**
 Counting your nickels, rolling your dimes, Ask me to stop I've got no time

Chorus: **D** **A** **D** **A**
 Human inside, Human inside
 D **A** **Em7** **A**
 Human inside me, find your way
 D **A** **D** **A**
 Human inside, Human inside
 D **A** **Em7** **A**
 Human inside me, feel today

Em7 **A7**
 And though I stop to take a look
C#m **D** **C#m** **D** **C#m** **D** **C#m** **D**
 Feeling no pain, putting it through, Once in the past, man, I felt for you
Em7 **A** **Em7** **A** **Em7** **A** **G** **A**
 No more decisions, no more remorse, I wasn't there to chart your course

(Chorus)

Em7 **A7**
 And, as I wash the hand I shook,
C#m **D** **C#m** **D** **C#m** **D** **C#m** **D**
 I've got not problems, I'll sleep tonight, Nothing to wrong me, nothing too right
Em7 **A** **Em7** **A** **Em7** **A** **G** **A**
 Maybe I'll dream up answers for all, Maybe I'll wake and hear no call

(Chorus)
