

Jenny On A Six String

Words and Music by
imposter X

Gm7 Dm7 Gm7 Dm7 Gm7 Dm7 Gm7 Dm7
The moon beats down upon her fingers, mine is the only face to shine
Gm7 Dm7 Gm7 Dm7 Gm7 Dm7 Gm7 Dm7
A shadow's cast across her forearm, next to her beating heart lays mine
Cm7 F Cm7 F
And in her restless hours you'll always find

Chorus: **Gm7 Dm7 Gm7 Dm7**
Jenny on a six string, drifting on the back swing
Gm7 Dm7 Gm7 Dm7
All of her anguish goes unsaid
Gm7 Dm7 Gm7 Dm7
Jenny on a six string, working on the love thing
Gm7 Dm7 Gm7 Dm7
Keeping the time inside her head

Gm7 Dm7 Gm7 Dm7 Gm7 Dm7 Gm7 Dm7
And she can know joy inside all others, I can know only, only her
Gm7 Dm7 Gm7 Dm7 Gm7 Dm7 Gm7 Dm7
She can strum all my nylon heart strings, I can not feel the pain they stir
Cm7 F Cm7 F Cm7 F
And in her darkest hours you'll always find her heart so close to mine

(Chorus)

Cm7 F Cm7 F Cm7 F
And in her darkest hours you'll always find her heart so close to mine...

Gm7 Dm7 Gm7 Dm7
Jenny on a six string, drifting on the back swing
Gm7 Dm7 Gm7 Dm7
Jenny on a six string, working on the love thing

(Repeat and fade)
