

These Are The Ways

Words and Music by
imposter X

D **Am7**
Mauled by a dog in a crowded park, torn in the jaws of a hungry shark
D **Am7**
Caught in a loop by a nursery rhyme, eaten away one cell at a time

D
Chorus: These are the ways I would hate to die
Am7
Funny, I want to go with my pride
D
These are the ways I would hate to die
Am7
But, in this world, there's no place to hide

D **Am7**
Spread on a road by a drunken fool, probed in and out by a sharp-edged tool
D **Am7**
Shocked into death by my broken fax, hacked into parts by my raper's ax

(Chorus)

G **D** **G** **D**
Yes, I wonder how death will come to me, when I see it all day on TV
G **D** **C** **A**
Why, in hell, should I worry how I go? Prob'ly 'cause, everyone will know

(Instrumental)

D **Am7**
A lonely heart with his love to give, an eager soul with no life to live
D **Am7**
A distant mind that can't understand, a desperate man with a gun in hand

(Chorus)
